

GLOBAL VOLUNTEER AND INTERNS GUIDE

PANASHI FOUNDATION is registered as Non Government Organization under section 8 based at Jaipur in Nov-2020 and working towards four major objectives like women empowerment, Girl education, Environment and Animal care. In short spine of time we have rescued around hundred of animals, enrolled many women for empowerment program where they have been strengthen their life with learning of art and craft and getting awareness on their physical and mental health through continuous awareness programs. Many talented girls are being approached for our Scholarship program. We have initiated monthly forest cleaning program in Nahargarh and in each attempt we clean almost 200kg plastic and glass bottles and making a clean forest for so many animals and birds. We believe that Volunteers are the strength of any organization and we welcome Volunteers and interns across the Globe. Where they can associate with our different programs and make a change in many lives.
